Hello Parents of St. Margaret Mary,

The Catholic School Council would like to thank all parents that participated in the survey. We have read all your comments and suggestions and are working on the great ideas. Thank you.

It was expressed that some parents don't know what the CSC does or who we are. During the Parent interview night, we had an information table set up with some information and members available to answer any questions or take suggestions. We are always open to new ideas and will listen to your suggestions. Feel free to approach any member of the CSC with your ideas. We have a mail box at the school so communication can be sent through the school as well.

We will continue to give notice of the CSC meetings and hope to see many of you come out. Have your say on the many topics we discuss each month. We always have some interesting items up for discussion. And our principal, Mr. Coons, keeps us informed of upcoming school events, school board events, EQAO etc.

The meeting minutes, once approved, are posted on the school website. The web site is a great tool to keep up to date of what is happening in the school. Check it out, stmm.hwcdsb.ca, you will also find the schools monthly newsletter and calendar.

We have a lot of fun stuff happening in the New Year. The Milk program will be back, as well as new lunch program we are going to introduce, more details will be sent home in the January.

We also have a fun day planned for our school community. We have booked Marydale Park on Family Day, February 15, 2016. Mark your calendars for a fun afternoon in the snow! More information will follow.

We have a guest Speaker booked for April 12, 2016, Gary Drenfeld, speaking on the topic "Raising Awesome Children"

The CSC would like to wish everyone a Merry Christmas and a very Happy New Year! We look forward to seeing you in the New Year.

Sincerely,
St. Margaret Mary Catholic School Council

Wishing you a very
MERRY CHRISTMAS
