

St. Margaret Mary Catholic School Council 2nd Annual Family Fun Day!

Marydale Park 5999 Chippewa Road Mount, Hope ON L0R 1W0

February 20, 2017 1-4pm

We had a great turn out last year and a lot of great feedback on this event. Again we are hoping to have some snow and everyone can enjoy some winter activities. Marydale Park has a lot to offer and fun for all to enjoy, there is a very shallow pond that freezes over for skating. There are also some hills for tobogganing and you can enjoy a nature hike through the forest

Other activities we can enjoy are snow shoeing, Cross Country Skiing and Outdoor Survival.

Marydale staff ensures a fun day for all whether there is snow or not. So come out and enjoy the day with your family and your school community.

We will have some tables set up inside, with coffee and hot chocolate. In keeping with our goal to reduce waste, we ask everyone to bring their own refillable water bottles and we will ensure there is water to replenish your bottles. There will also be some tables under the pavilion. Feel free to bring any snacks and drinks you and family would enjoy while enjoying the outdoors and all the activities Marydale Park has to offer.

Please remember to dress for the weather; if the ground is not covered in snow it will more than likely be muddy! Have fun!

St. Margaret Mary CSC

Please return by February 6, 2017

Would you and your family be interested in coming to this event?

YES

No

If so, Family Name _____ how many _____
