

St. Margaret Mary Catholic School Council Survey 2017-2018

Dear Parents/Guardians of St. Margaret Mary Elementary School,

Every year the CSC is committed to the students and ensuring they have the resources and support needed to reach their academic potential. We strive to bring our school community together through family fun nights, guest speakers and special events throughout the school year. From these surveys your CSC members take the information and implement your feedback. Last year's feedback indicated that the majority voted to have Family Physical Activity Nights. With the approval of our Pro Grant we have responded to your requests and will be implementing Heathy Living and will organize some Family Physical Activity Nights. Last year we responded to needing more Parent Engagement in Math and we funded the Great Canadian Math race.

These surveys are important for us to hear your comments and concerns, we ask you to take a few minutes of your time and complete this short survey, your input is greatly appreciated.

Please return to the school by **October 20, 2017**. Every Survey that is returned will be entered into a draw to receive a \$20.00 Tim Hortons Gift card. Good Luck and Thank you for your time and feedback.
