JANUARY 2019

PRINCIPAL'S MESSAGE

Welcome back and Happy New Year. Prayers that your holiday season was filled with moments of peace, laughter and happy memories. We begin a new year and an end to a first term of studies. Our major school goals are linked to our Board Goals for Believing, Achieving and Serving. Our focus on the following:

FAITH: Focus on more student led activities to deepen their understanding of Faith

TEAMWORK: Focus on Mental Health and well-being initiatives with CSC and HAT

EXCELLENCE: Focus on better understanding of key Math concepts.

We believe, based on our data and professional judgement ,that our students are struggling with Number Concepts and in representing mathematical reasoning (their thinking). Activities to support families are planned for the new year.

ONTARIO GRADUATE EXPECTATIONS FOR JANUARY A Collaborative Contributor

This month we invite you to help your child share and work with others. Truly value their input and opinions. Teach them to respect the opinions of others and accept constructive criticism. Provide opportunities for you and your family to discuss important matters that invite each one to stop, think and offer thoughts.

In your home, in our school community and our world we need to value those who promote respect, dignity and the welfare of all.

As you do so remember that St. Margaret Mary invites us to "Unite yourself with Jesus...in all that you do."

CATHOLIC SCHOOL COUNCIL NEWS

CATHOLIC SCHOOL COUNCIL 2018—2019

Your Catholic School Council continues to support the school in a number of ways. The CSC responds to survey requests by the Board and Ministry. We reviewed our own CSC survey to identify ways to respond to the interests of our own school community. Please read the Newsletter sent out on paper or check it out on-line. We continue to be pleased at the turnout from our last meeting. The next meeting is Monday January 14, 2019 starting at 6:00 p.m. in the Learning Commons.

Anaphylaxis Awareness Caring For All

St. Margaret Mary Catholic Elementary School is a place where all children feel safe and have a sense of belonging. To ensure the safety and well-being of all children, please note below important information from Anaphylaxis Canada:

Anaphylaxis is a serious allergic reaction that is rapid in onset and may cause death;

Signs and symptoms of a severe allergic reaction can occur within minutes of exposure to an allergen (a substance capable of causing an allergic reaction)

Very small amounts of certain foods can cause severe reactions when eaten. This may happen if a person at risk touches an allergenic substance and then subsequently touches the mouth. Even a very small amount 'hidden' in a food or transferred to a serving utensil has the potential to cause a severe allergic reaction. Direct ingestion of an allergy-causing food poses the greatest risk for people with food allergies.

Cooperation from parent and guardians in adhering to the guidelines below is most appreciated:

There are students at this school who are allergic to the following foods and items:

nuts, tree nuts, seeds., red dye, egg, shellfish (shrimp)

Parents will be advised of allergens specific to a classroom; please avoid bringing these allergen into the designated classroom.

Reinforce hand washing practices: wash hands before and after eating.

Remind children not to share or trade food, food utensils, or food containers.

WINTER WEATHER

WEATHER

With the cold weather fast approaching, we ask that the children come dressed appropriately for the weather (hats, mittens, boots etc.). **Please send an indoor pair of shoes** with your child to avoid water from the boots being brought in to the classroom. Shoes are necessary in case of an emergency or fire drill. Please label your child(ren)'s clothing in case it is misplaced.

Your cooperation is greatly appreciated with these matters.

INCLEMENT WEATHER - EMERGENCY SCHOOL CLOSINGS

All school closures and/or transportation cancellations will be announced on the following TV and radio stations:

Hamilton Area: 900 CHML/Y108 FM Oldies 1150 (CKOC) K-Lite 102.9 FM/820 CHAM WAVE 94.7 F

Updates are also provided on our Board Website www.hwcdsb.ca

A Message from the St.MM ECO TEAM

To avoid having garbage in the school on the weekends, and the possibility of ants and rodents, we are promoting **Boomerang Fridays**. This means that all garbage including containers, food waste, wrappers, drinking boxes etc. with the exception of paper recycling, will be brought back home to be disposed of. Your family's participation will be greatly appreciated.

We are having our **5th Annual Book Swap**. Donate books from Jan. 11-30, 2019 and we will make them available for students to take home from Family Literacy Day (Jan. 25) to Snuggle Up and Read Day at the school at the end of Literacy week.

Entrance and Exits

Thank you to all parents and guardians who are picking up their children from the proper exit doors. We are asking that all students use their proper doors to enter and exit the school building. **Please remember the front door is not to be used as a pick up area at the end of the day.** Please meet your child at their proper exit doors. If your child is late in the morning it is very important that they report to the office for a late slip. This goes for all the students in our building from JK to Grade 8.

Snuggle Up and Read Th. Jan.31, 2019

Once again we take time to celebrate reading by enjoying a Snuggle Up and Read Day for the whole school on Thursday Jan. 31,2019. Highlights of the day include: No uniforms
Guest readers in classrooms
Quiet time for whole School
We are all reminded of the importance of setting a good example for our children. You find time to read.
Find time read together.
Ask about what they are choosing to read. Have fun.

Sign up for School Messenger

Our School now uses School Messenger as our attendance contact source for Parents and Guardians. Families are to sign up and use this to APP to contact the school for attendance and to receive school updates electronically. See the website for more information.

PARKING LOT AND BUS AREAS

Please remember that the bus loading zone is to remain empty during school hours. When the buses are coming and going, it causes great congestion if vehicles are parked in this zone. Please also remember that the parking lot is an area where everyone needs to be courteous. There are many alternatives to blocking everyone else out of the way. Many parents park on the street and walk in to meet their children. Older children can meet you on the street. **BE AWARE OF PEOPLE CROSSING the road.**

Parents and guardians need to be aware in the church parking lot there are many handicap spaces which you are asked not to use to drop off your children. We do have families that need those spots.

Please move your car along to the end of the parking lot, if you do not wish to avail yourself of the other suggested alternatives. When our staff is out there, they find it very difficult to deal with parents/guardians who refuse to move their vehicles.
